

# **Giving Charity to a Worthy Recipient**

*A Prayer*

## ***Our Heavenly Father***

***May You grant us the privilege, in Your great mercy, of giving charity plentifully to worthy needy recipients, for the sake of Your Name only, without any falsehood or partiality whatsoever, and help us to always fulfil the mitzvah of charity as is fitting, according to Your good will, in great holiness and purity, in joy and good-heartedness, and save our souls that we may not stumble from poor who are not fitting, and keep us from corrupt charities that are not according to Your will, take compassion on us in Your great compassion and guard us so that we will not be harmed in the least by corrupt charities that are not according to Your will, who cause what they cause.***
